Sweetness code: Dry      Oak: Light      Body: Medium

## Australian Shiraz

Australia's route to fame on the world wine stage. Shiraz has the uncanny quality of allowing early consumption despite its complexity and 'bigness'. Filled with flavors of concentrated black fruits and spice on the palate. *Goes well with any full-flavored beef dishes.*

## Italian Sangiovese

The endless sunshine and rich, well-drained mineral soils of Tuscany bring out the wonderful flavors of this grape. The lively fruit and good acidity make it one of the most food-friendly of all reds. *Serve with pasta, veal parmigiana, and intense flavored cheeses.*
